

Contest Rules

Please read these rules to the students before the first event.

1. All team members will participate in ALL FIVE EVENTS. Each event (except the team event) consists of three questions worth 1, 3, and 5 points.
2. Calculators are permitted, including graphics calculators, EXCEPT ON THE FIRST EVENT. However, there is NO SHARING OF CALCULATORS DURING INDIVIDUAL EVENTS 2 THRU 4. No notes or books may be used during the test.
3. Talking is NOT permitted during the first four exams.
4. During the team event all members work on the problems and a **single answer sheet** will be scored. If more than one answer sheet is turned in, you must indicate which sheet is to be scored. There are six problems which are worth 10 points each. The total is added to the team score, but not to individual scores.
5. Each individual event will last 15 minutes. The team event will last 25 minutes.
6. For each event, keep your paper face down until you are told to begin.
7. Please PRINT your name on each event exactly as it appears on your registration sheet.
8. At the end of each event put your pencil down promptly and pass your paper to the proctor.
