WMC Seeks Candidates to Run for the WMC Board of Directors

Do you want to get more involved with the Wisconsin Mathematics Council?
Consider using your talents and become a member of the WMC Board of Directors!

The Wisconsin Mathematics Council Board of Directors is seeking nominations for the following positions:

- President-Elect
Secretary
WTCS Representative
Statewide Representative
Grades 6-8 Representative

In order to be a board member, candidates must be current members of the Wisconsin Mathematics Council. The position descriptions are listed below.

The President-Elect is an officer of the Board of Directors. The position is a four-year commitment to the Wisconsin Mathematics Council. The elected individual will serve one year as President-Elect, two years as President, and one year as Past President. The President is the spokesperson for the Wisconsin Mathematics Council and presides at all Board of Directors meetings. The duties of the President-Elect include:

- Becoming acquainted with the responsibilities and duties of the President.
Soliciting the Board members for interest in committees and committee chair positions.
Presenting a slate of committee chairs to the Executive Committee.
Presiding at meetings of the Council and Board if the President is absent or unable to perform required duties.
Performing such other duties as may be assigned by the Board.

The Secretary is an officer of the Board of Directors. The position is a two-year term. Duties include:

- Take official minutes at all Council, Board, and Executive Committee meetings.
Maintain official record of Board meeting attendance.
Perform all secretarial duties of the Council as directed by the Board.
Oversee the process of conducting elections.
Perform such other duties as may be assigned by the Board.
Provide copies of all official minutes, other Board information, and official documents to the Historian (e.g, handouts, cluster reports, and other relevant documents).

The four open Representative positions are three-year terms. The duties of Representatives include:

- Attending all Board meetings.
Advocating for the representative group (i.e., elementary mathematics, high school mathematics, etc.).
Serving as a liaison to a committee cluster, which may include additional meetings or phone conferences.

The WMC Nominations & Elections Committee will develop a slate of candidates and oversee the election process in the spring. Ballots will be emailed or mailed to all members. The results will be announced at the May 4, 2017 Annual Meeting during the Annual Conference.

Take advantage of this opportunity to take an active role in the Wisconsin Mathematics Council. To nominate yourself or someone else, please complete the form on the back. Include a 'Statement of Interest' detailing your educational background and professional involvement. Return by mail, fax or e-mail no later than March 1, 2017.
